You have just what our customers want!

The ReStore in Anthem accepts donations of new and gently used

household items. We're talking furniture, appliances, household decorations and much more! If you have items that you are looking to donate, please drop them off at the ReStore Tuesday - Saturday, 9AM-6PM. Are they too large for you to

transport? No worries! We have a truck that can come and pick them up for free. The ReStore is located at 42205 N. Vision Way, Anthem, AZ 85086, one mile south of WalMart. To schedule a pick up, call the ReStore at 623-551-6400.

Construction Update!

We recently held a home dedication ceremony for the Steier family. Not many dry eyes were in the room as a young family realized that their dream of homeownership came true! Now that the weather is cooling down,

we've kicked up the construction of simple, decent and affordable homes in the Desert Foothills area. The current home that we're working on will be our 25th home and our first Energy Star 3 certified property. As much as we celebrate the successes, the hard reality is that there are 96 families in the Desert Foothills area
