

## September 2009

### Oh, give me land lots of land under starry skies above!

We have purchased a parcel of land in New River and plan to start construction of a new Habitat home in Spring of 2010. This 1.23 acre lot is on Twin Peaks Lane and is just south of New River Road and has easy access to I-17. There is a beautiful view of Table Mesa and the New River Mountains from the property. Architect Tyler Green is busy working on design plans for the home. We are in the process of seeking a home sponsor and will start the family selection process in the near future. We have additional land in New River that we are hoping to close sale on and will continue to keep our supporters updated.

If you have an interest in becoming a sponsor or partial sponsor of this home, please call Todd Rogers at (480) 488-4693.

### We seek a Student Intern to Head up Youth United

Do you go to school in the Desert Foothills? Wondering what community service project you're going to do this year? This school year, Habitat needs an intern who will volunteer to mobilize students in our community to raise funds, raise awareness and raise walls! This program can be as creative as you make it! Dog wash for Habitat? Bake sale for Houses? Call us if you think you'd thrive in this leadership role.

Once again the generous folks at **Babbo's** in Cave Creek will donate 20% of the day's receipts to Habitat!

Sunday, October 4, 2009 11am-9pm  
29455 N Cave Creek Rd [www.babboitalian.com](http://www.babboitalian.com)

### It's time again for a Mailing Party!

Date: Wednesday, September 30, 2009

Time: 9:30am

Place: Habitat Office

Come help us stuff and stamp. Please RSVP as space is limited!
